EXAMINER'S AMENDMENT

Election/Restrictions

1. Applicant's election of Species I, claims 1, 4-9, 13, 15, 16, and 20 in the reply filed on Nov. 15, 2005 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
2. This application is in condition for allowance except for the presence of claims 2,3, 10-12, 14, 17, 18, and 21 non-elected without traverse. Accordingly, claims 2,3, 10-12, 14, 17, 18, and 21 have been cancelled.

Examiner's Amendment

3. Claims 1, 4-9, 13, 15, 16, and 20 are allowed.
4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric Hyman (Reg. No. 30,139, Phone (310)-207-3800) on Dec. 1, 2005.

The application has been amended as follows:

Claim 1: "an automatic gain controller for receiving part of the light input" has been amended to "an automatic gain controller configured for receiving part of the light input"

Claim 7: "a photodetector for receiving" has been amended to "a photodetector configured for receiving"

Claim 7: "a controller for checking" has been amended to "a controller configured for checking"

STATEMENT OF REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance: the prior art does not teach or make obvious, an automatic gain controller *controlling pump powers of the second and third pump laser diodes, while the pump light of the first pump laser diode of the first stage amplifier remains fixed*, in addition to other elements of the claims. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Information Disclosure Statement

6. The information disclosure statements filed on Oct. 28, 2003, and Sept. 26, 2005 have been considered by the Examiner.

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure: Friedrichs, Hayashi et al., Katagiri et al., Kinoshita, Lee et al., Oh et al., Onaka et al., and Wysocki et al.
